3. Treasurer's Report- Becky motion to approve, Kristina second, motion passes.
Move to change tax year to fiscal year....
4. Review
 - a. Carnival review- Overall a success! Volunteer face painters and balloon animals worked great, made too much so maybe lessen prices next year, or have some activities free. Need better prizes, though and maybe do our own games (all star jump items were a bit chincy and not as fun as other years, and cotton candy maker broke half way through carnival).
 - b. Veterans day assembly- good – had over 100 veterans there....
5. New Business
 - a. Amazon Smile follow up- Kristina. Our school is already registered. Need to double check procedure and send out info to families to sign up (and for other store fundraiser programs)
 - b. Christmas Tree set up- have student council do it? Do it before December 4th. Or have it as a paws ticket reward..... or set time for volunteers to meet to set it up.
 - c. District Bond Presentation- to try to recruit volunteers and people to help promote the bond. Do it on a separate evening or during a PTSO meeting, or movie night (would need help watching kids)? We are willing to advertise for the meeting and send info using our email list.
 - d. Funds requests- scholastic, 6th grade bus to Wandermere to see movie "Wonder"- use \$50 out of grade level budget
 - e. Movie nights- December 1st?
 - f. First Night Spokane- new year's eve party- we can sell buttons for \$15 and \$3 goes to school. Decided not to do it- not enough time to organize it.
 - g. Concession donation idea: Cormark, Sweet Frostings, Panera, etc.- talk about next month
6. Principal's report- looking for 20-30 volunteers for bond/ levy promotion- bond presentation....
7. Other- company – can get bear folders free if we allow advertising (we would approve the ads). Might be lower quality. Maybe do our own and get our own sponsors? Vote to pursue this- Kim motion to research options of folders with advertising to help offset cost, Heather seconds- 5 voted for, 1 against, and 1 abstention.
8. Prize drawing and Adjournment 8:07
