6. New Business
 - a. Master Kim- when? Discussed April or later. Want to do it early next year. Tianna will call.
 - b. Funds requests- 2nd grade- Mrs. Hayett and Mrs. Nelson trip to children's theater to see Snow White. Will come out of grade level budget. 4th grade- going to see "Wonder" in the theater, and kindergarten city trip. Out of grade level budget.
 - c. Grade level budgets:
*idea: teacher's sign off on requests, budgets set by number of students in future? Concern that grades with lower amounts of students would be docked. In the past- it was requested by December then surplus rolls over to general fund for others. Decide at budget meeting
 - d. Bulletin board- need a person to be in charge of this
 - e. Movie nights- December 1st couldn't happen. Possible plan for December 15th. Marc move to not do December but move to Jan 19th. Despicable Me 3.
 - f. Amazon Smile update – ready to go!
 - g. Concession donation ideas- Cormark, Sweet frostings, Panera, etc.
7. Principal's report- concerts were great (except need more space, need better crossing safety- possible cross walk light in works. Late start instead of snow days.
